Game Overview

Super Mario 64 DS is a remake of the classic Super Mario 64, originally released for the Nintendo 64. This DS version introduced new characters, enhanced graphics, and additional gameplay elements. Players can choose from four characters: Mario, Luigi, Yoshi, and Wario, each with unique abilities that contribute to solving puzzles and defeating enemies. The game retains its original 15 courses, filled with Power Stars, red coins, and various challenges. The objective is to collect a total of 150 Power Stars to unlock the final Bowser level and save Princess Peach.

Character Abilities

Each character in Super Mario 64 DS offers distinct advantages, making them suitable for different situations. Understanding these abilities is crucial for navigating the game effectively.

Mario

As the main protagonist, Mario possesses a well-rounded skill set. His abilities include:

- Capable of performing a triple jump for greater height.
- Can use the Super Jump to reach high platforms.
- Versatile in combat with the ability to spin and stomp on enemies.

Luigi

Luigi is known for his high jumps and superior agility. His abilities include:

- Higher jumps than Mario, allowing access to difficult areas.
- Can run faster, which is useful for timed challenges.
- Utilizes a unique float mechanic, making it easier to navigate tricky jumps.

Yoshi

Yoshi offers unique abilities that help in specific challenges:

- Can swallow enemies and turn them into eggs.
- Has a flutter jump, allowing for extended air time.
- Can use tongue attacks to reach distant items.

Wario

Wario is the powerhouse of the group, useful for breaking barriers and attacking enemies:

- Can perform a shoulder bash to break bricks.
- Has increased strength, making him effective against tough enemies.
- Can collect coins quickly, enhancing the player's score.

Power Star Locations

Power Stars are the primary collectibles in Super Mario 64 DS, and locating them is crucial for progression. Each course contains multiple stars, and many are hidden behind challenges or require specific character abilities to obtain.

Course 1: Bob-omb Battlefield

This course features a variety of Power Stars:

- Star 1: Big Bob-omb on the Summit - Defeat the Big Bob-omb at the top of the mountain.
- Star 2: Footrace with Koopa the Quick - Race Koopa to the top of the mountain.
- Star 3: Shoot to the Island in the Sky - Use the cannon to shoot to the floating island.

Course 2: Whomp's Fortress

In this course, players will encounter Whomps and various platforms. Notable stars include:

- Star 1: Whomp King - Defeat the Whomp King to earn the star.
- Star 2: To the Top of the Fortress - Climb to the highest point of the fortress.
- Star 3: Fall onto the Caged Island - Use character abilities to reach the caged star.

Level Guides

Each level in Super Mario 64 DS presents unique challenges and environments. Here's a brief overview of some key levels and their features.

Course 3: Jolly Roger Bay

This underwater level requires players to adapt to swimming mechanics. Key tasks include:

- Finding the hidden star in the sunken ship.
- Defeating the eel to access the star.
- Collecting red coins scattered throughout the level.

Course 4: Cool, Cool Mountain

In this snowy environment, players must navigate slippery slopes and snowmen:

- Star 1: Big Snowman's Hat - Navigate the mountain to find the star atop the snowman.
- Star 2: Snowy Slide - Race down the slide to collect the star.
- Star 3: 100 Coins - Collect 100 coins throughout the level for a star.

Boss Strategies

Throughout Super Mario 64 DS, players will encounter various bosses that require specific strategies to defeat. Knowing how to approach each boss can simplify these encounters.

Bowser in the Dark World

Bowser's battles require agility and timing:

- Observe Bowser's attack patterns and avoid his fire attacks.
- Grab Bowser by the tail and swing him towards the bombs.
- Repeat the process to defeat him and collect the key.

King Bob-omb

In the first major boss fight, King Bob-omb has predictable attacks:

- Avoid his rolling attacks and throw him to the ground.
- Once he is down, throw him three times to defeat him.
- Collect the Power Star after the battle.

Tips for Beginners

For players new to Super Mario 64 DS, here are some essential tips to enhance gameplay.

Practice Character Abilities

Each character has unique skills that can be crucial in specific situations. Spend time practicing their abilities to understand their strengths and weaknesses.

Explore Every Corner

Many Power Stars are hidden in less obvious places. Take the time to explore every level thoroughly, including climbing to high points and diving into water.

Collect Red Coins

Red coins are essential for earning extra Power Stars. Always look for red coins in each level, as collecting all eight grants a star.
