How the Quiz Works

The HowWeLove quiz consists of a series of questions that explore various aspects of love and relationships. Participants answer questions about their preferences, behaviors, and feelings regarding romantic interactions. The quiz is structured to assess how individuals relate to their partners, both emotionally and physically.

Typically, the quiz includes questions that cover a range of scenarios, such as:

- How do you feel most loved?
- What actions make you feel appreciated?

- **Independent:** Those with an independent love style value autonomy and space in relationships. They may show love through acts of service rather than overt affection.
- **Romantic:** Romantic individuals often seek passionate and dreamy connections. They appreciate grand gestures and deep emotional bonds.
